

Welcome at Maker Faire Delft 2026!

**Maker
Faire[®]
Delft**

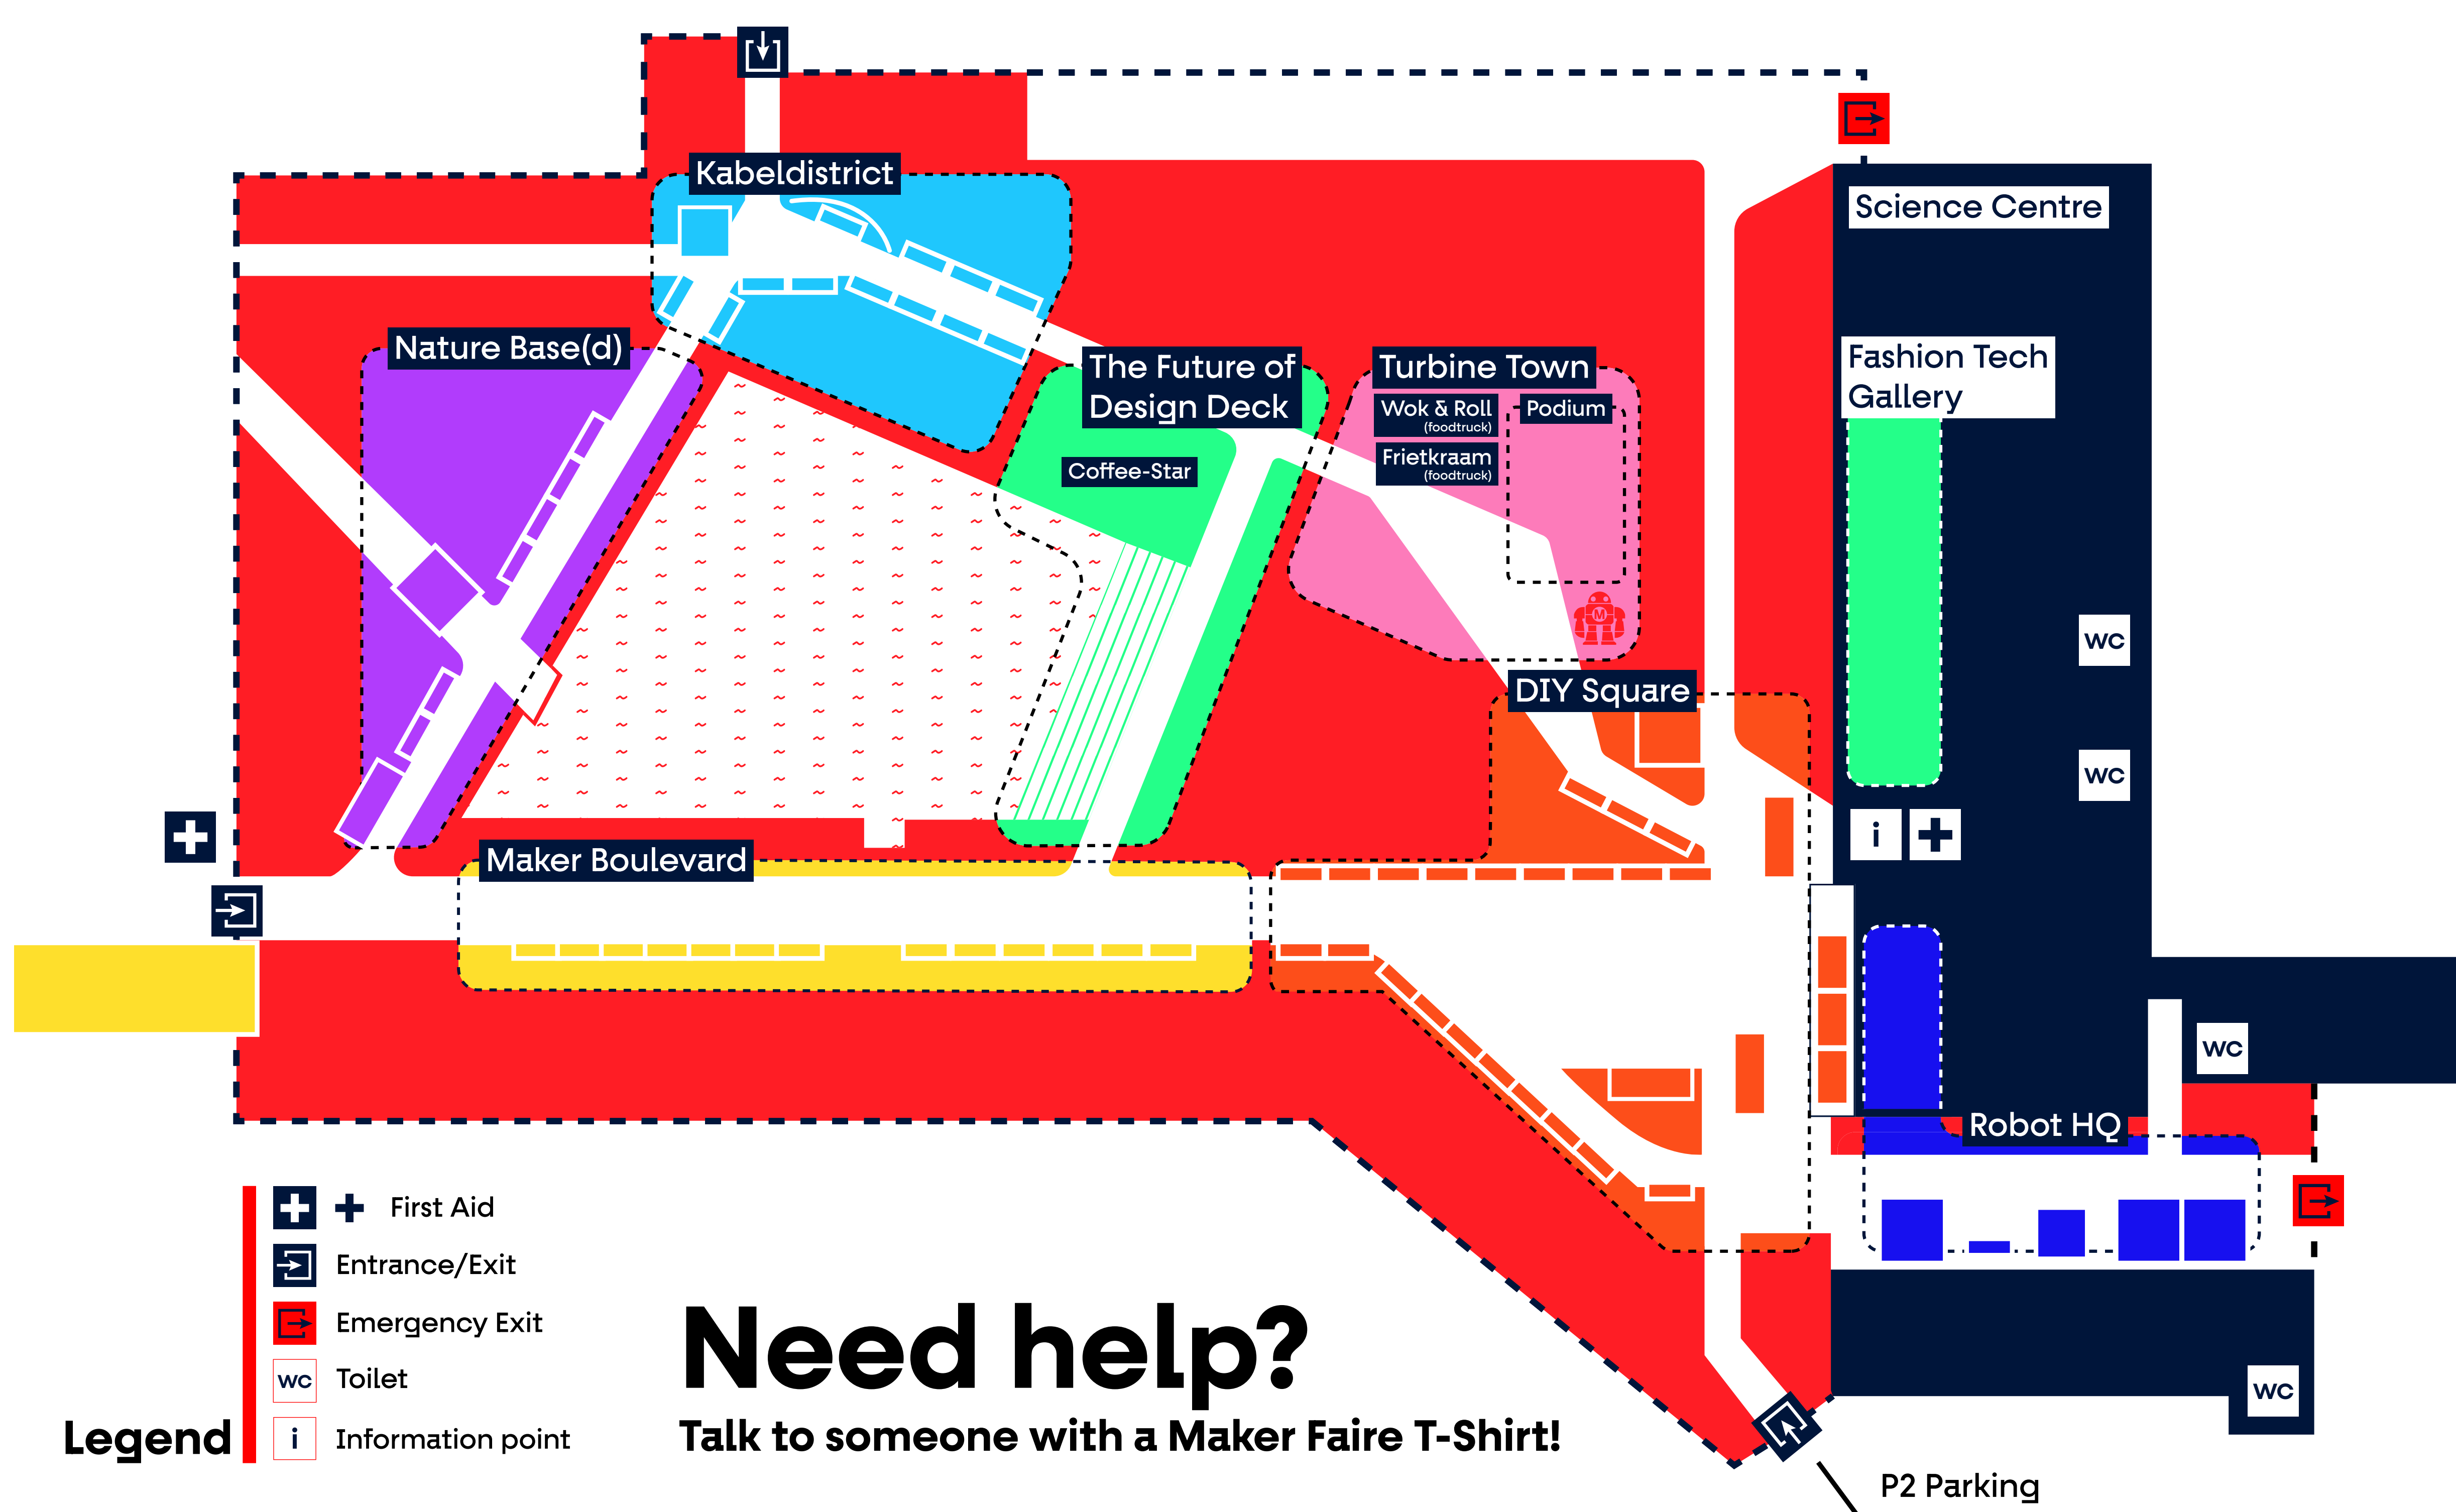

Dive into a world of innovation, creativity, and hands-on exploration. From robots to recycled art, from futuristic tech to traditional crafts, our makers are here to inspire and engage.

Explore each **zone**, meet the minds behind the projects, and don't forget to join a workshop or two.

If you enjoy your visit, make sure to come back next year: there's always more to discover! **Keep up-to-date** by subscribing to the newsletter below.
